COMMISSIONER'S CORNER

By ERIC ZMUDA - Cape League Commissioner

2021 End of Season Report

Icannot start this End-of-Season Commissioner's Corner without first thanking the fans for joining us in record numbers at our 10 parks this summer! Last spring, when it still very much in doubt if we would even be allowed to have fans at our games, our Executive Board wondered aloud how we would fare without the day-to-day support at the field. Thankfully, restrictions were eased just in time, and your pent-up energy was able to be displayed in person for the entire summer.

The success of this 2021 season is also due in large part to the incredible planning done by our Medical Department, with COVID Safety Guidelines in place to ensure the safest route possible back to 'normalcy' and a full slate of games (save for a very small handful of rainouts). Thanks, and immense gratitude, goes out to our Team 'Covid Captains' that oversaw the completion of these guidelines created by Michelle Pavlu, Laura Murphy, Dr. Donald O'Malley, and Nicolette Branson. Without it, our season would not have taken place. This directly led to the awarding of the CCBL Dick Sullivan Executive of Year Award to Michelle Pavlu, to be presented at our Hall of Fame Ceremony this November. Congratulations Michelle!

As usual, it takes a plethora of people for our summer baseball season to exist – my yearly thanks to the GMs, Field Managers, Coaching Staffs, team board members, volunteers, supporters, and Sponsors, and EVERYONE that joined in to make it happen. We are fortunate that so many people have so much passion for this game, and this league, year in and year out. Thank you so much for all that you continue to do for the Cape League. And, again, thank you to the fans that came out to support us by attending so many games this past summer; we'll have the stands, and hills overlooking our fields, ready for you in 2022.

Congratulations to the 2021 CCBL Champion Brewster Whitecaps. A shortened, exciting, playoff run was in the works for our season, and their team made the best of it by sweeping both the Harwich Mariners in the Semifinals, and the Bourne Braves in the Finals. Incredible baseball was played, and the Arnold Mycock Championship Trophy was hoisted at home for Brewster at Stony Brook Field. The collegiate players assembled on Cape Cod each summer to play in the CCBL are the best of the best, and the 2021 season, and playoffs, showcased that fact. It was very heartwarming to be able to go to the field each day, after missing out on a season in 2020. We're all very happy to have the players back, and are already looking forward to next summer!

More congratulations are given to the Yarmouth-Dennis Red Sox, back-to-back recipients of the Commissioner's Cup. The Cup is given to the organization that showcases professionalism, on and off the field, and integrity in their daily activities, supporting the local community, and interactions with fellow CCBL personnel throughout the year. This year, the CCBL Executive Board renamed this award the 'Paul Galop Commissioner's Cup' to honor Commissioner Emeritus Paul Galop, who passed away in May. We miss you, Paul, and were blessed to have you lead the Cape League for over 15 years as Commissioner, with compassion, love, and dedication that we can all hope to emulate.

Last, and definitely not least, 'thank you' to our Commissioner Interns, Cam Markovsky, and Ben Bernstein, who put in countless hours assisting in keeping everything moving along, and ensuring that the daily tasks of keeping track of all the administrative needs of the Commissioner's office were fulfilled, often exceeding expectations. And, of course, 'thank you' to my family for their continued support each year. I couldn't do anything without our interns and, especially, my family.

This year is complete, plans are already being put in place for 2022, and I hope to see you at the park next year!

All the best,
Eric Zmuda, Commissioner

BREWSTER RIDES THE WAVE TO CAPTURE 2021 CHAMPIONSHIP

By ETHAN KAGNO, CCBL Intern

In a rematch of the 2017 Cape League Championship series, Bourne and Brewster played a couple of emphatic games, both of which broke records with nearly 10,000 total fans in attendance. The Brewster Whitecaps topped the Bourne Braves in a two-game sweep to take home the Arnold Mycock Championship Trophy in front of an electric crowd at Stony Brook Field on Wednesday evening.

Brewster Whitecaps: (22-11-3 Regular Season Record, 4-0 Postseason Record, 2021 East Division & CCBL Champions)

Postseason

Despite losing one of the best pitchers on the Cape in **Bryce Hubbart** (Florida State) right before the playoffs, the Brewster Whitecaps didn't skip a

beat. The Caps swept both their series wins against Harwich and Bourne in dominant fashion, striking out 47 batters en route to a championship victory.

Michael Prosecky (Louisville) made two relief appearances, one of them resulted in a win against Bourne in Game 1 of the championship series. In addition, he pitched seven innings, struck out nine, and allowed no earned runs among the 29 batters he faced.

Teddy McGraw (Wake Forest) started Game 2 against Harwich in the first round of the playoffs, where he whirled six innings strong and allowed just one run with nine strikeouts in Brewster's 5-4 win. He later came in to finish what he started in the final game of the postseason, coming in for a perfect ninth inning to capture the Whitecaps' third championship since 2000.

Chad Castillo (California Baptist) received the Star of Stars Award for Playoff MVP. The Santa Ana, CA native went 6-for-15 (.400) throughout the playoffs, including a 2-RBI performance in their first clash against Harwich, that later resulted in the game's only two runs. Later in Game 2 against Bourne, Castillo scored three times and helped ignite a four-run seventh inning to take back the lead in what would result in a 10-6 final and series win.

Regular Season

As previously mentioned, **Bryce Hubbart** (Florida State) was outstanding. His 45 strikeouts were tied atop the league with Harwich's Trey Dombroski (Monmouth). Hubbart was 3-1 and allowed just three earned runs in 31 innings pitched that resulted in a 0.87 ERA which ranked second. His .133 BAA also ranked second among qualified pitchers and sported an impressive 0.71 WHIP.

In addition to Hubbart's elite performance this season, the Whitecaps had another elite option in the bullpen in **Dale Stanavich** (Rutgers). One of the best closers in the league, Stanavich finished the regular season with six saves (2nd) and tallied two more in the playoffs. The lefty appeared in 12 games and posted a respectable 2.25 ERA with 30 strikeouts in 16 innings of work.

On the offensive side, the Whitecaps took some hits to their roster around the MLB Draft, but also added some prolific bats to the lineup. **Colin Davis** (Wofford) was in the midst of an MVP-caliber season before being selected by the Seattle Mariners in the seventh

round (204th overall). Davis hit an insane .420 batting average alongside a league best 13 stolen bases at the time, which was still good enough to be tied for second in the Cape League, despite playing in roughly half as many games.

One of the bigger names the Caps added after the college baseball season ended, was outfielder **Spencer Jones** (Vanderbilt). The 6'7" Vandy Boy collected 24 hits in 25 games as Brewster's leadoff man, seven of which went for extra bases en route to a .312/.424/.481 slashline with a .905 OPS. Jones also displayed tremendous overall tools by stealing six total bases while showcasing himself defensively with numerous acrobatic plays in center field.

Fast forward to next year

Coach **Jamie Shevchik** knows how to win, and has fun doing it. No matter the roster for next year -- which considering the Cape League should be filled with talent -- Brewster will look to keep the tide rolling and bring home a third league championship during his tenure for the Whitecaps.
